

UNDER NEW OWNERSHIP

As some of you already know, Carla Horan has now left the business to concentrate on being a new mum... So two 'academy' originals, namely Janine Green and Pete Yarker have stepped into the breach to become two new directors with Anne and Phil Barrett. Both the new directors are full-time entertainment professionals... dancers, choreographers and instructors. Janine and Pete will be exerting a massive influence on taking the MBM Academy to the next level.

MBM ACADEMY TEAM

One thing that's certainly been missing from the MBM Academy during the last six months is a competition team. Harriet and Pete together are selecting and creating a new championship team so that we can go out into the worlds and reclaim some of that former glory!

NEW FACE

Original team member Fiona Higgins is back with us in a new role. Fiona will be teaching our new Adult and Teen Streetdance classes and will be assisting in the choreography of our shows.

B-BOY DROP-IN

Starting on Thursday 2nd Feb. £3 for 2 hours, no teacher. Train, chat and get to know more about the B-Boy world.

PERFORMERS WANTED

The MBM Entertainment Company is creating a whole bunch of production shows for 2012 and beyond where we require dancers / singers / performers throughout the UK and abroad.

As a member of the MBM Academy we would encourage you to audition for these professional paid jobs.
